

Welcome Men of all ages!  
Come to a ministry filled  
weekend!

**National President  
Blake Morris**

Greetings everyone in that Wonderful, Matchless Name of Jesus our Lord and Saviour! Seventy years ago, God imparted an earth-changing vision to Demos Shakarian, the precious founder of this powerful soul reaching ministry. Today, you and I are a part of that great call to see millions upon millions receive Jesus Christ as personal Saviour. There's not another ministry quite like it in the world.

It's a great honour therefore for me to invite you to come to the 2024 Green Bay Men's Camp situated along the shores of beautiful Okanagan Lake; the site where countless lives have been transformed for all Eternity. You will be deeply enriched this year as you open your hearts to receive all that God desires to do in your life, your home, your family, your place of work.

Come and enjoy the powerful first-hand accounts of how God through His sweet Holy Spirit moves mightily today for those who call upon the Name of His Son. It's all for the asking. Come, expecting to be refreshed, renewed and transformed once and for all! But don't come alone; bring your son, your father, your friend, your neighbour, your co-worker... whoever could use a touch of The Master's Hand. Be prepared to go home a brand new man!

You may also consider sponsoring someone to come or donate to the sponsorship fund. You will receive a "tax deductible receipt."

## Gary Johnson

Once a rebellious and defiant young man, Gary knows first hand what it is like to subsist through an empty life revolving around illicit drugs, alcohol, violence, and endless unfulfilling entanglement with destruction. Following a dramatic encounter with Christ, Gary has dedicated his life to helping others who have fallen into similar traps of the enemy. He is a member of the Eternal Riders Motorcycle Club. He has written numerous books and is an excellent Bible expositor and teacher.

## Rob McGrath

Refusing to go without a fight, Bob escaped from the cruiser. "Turning himself in" turned out to be the best thing he'd done!
