# *Full Gospel Business Men's Fellowship In Canada National Newsletter*

Volume # 5.4

Dec. 7. 2022

## ***Statement and purpose of National Newsletter***

*To build a communication bridge between chapters of F.G.B.M.F.I.C. in order to strengthen our cause of reaching the lost and unsaved to the Glory of Jesus Christ, retain and Fulfill the Vision given to our founder, Demos Shakarian.*

## ***Objective***

***To Get EVERY chapter involved to lift up our Lord and Savior and encourage others from coast to coast.***

I have been trying to get more people involved in sending in current praise reports of how God is moving through their chapters. The purpose is to encourage others who receive this newsletter to get involved in their local chapter. God has given each of us gifts that if they are not used are no good to us or anyone.

Testimonies and the blood of the Lamb are what bring People to God.

Others need to know that the gift of Love from our Heavenly father is free. The only way to have a heavenly home is through Jesus Christ. That too is free!!!

We have been blessed by getting reports from all provinces from sea to sea which has had a huge impact on encouraging some members to re-join and even attend the prayer meetings being held in their area. Seeing GOD work in this way has encouraged me as well and I am praying to see more Praise reports coming in for the next newsletter.

Please remember this is OUR newsletter, not mine. PRAISE THE LORD.

## **B.C. News**

We had an awesome men's camp the weekend of October 21-23. 2022 at Charis Camp and Convention Centre which is situated just east of Chilliwack, B.C. We started on Friday night with praise and worship, moving on to testimonies from the attendees present and then sharing in special music from Troy MacNaughton. Many of Troy's songs are unique to him and carry heavy gospel truths which encourage and challenge the listener. On Saturday, we heard from our former National President, John Reid, who shared his personal testimony which most of us had never heard before. We also heard from our current vice president, Howard Heffernan, who also serves as B.C. and Alberta's National Director for the Canadian Board. Howard challenged us to re-evaluate what we are doing for the Kingdom of God in this end-time harvest season.

Another challenge came to us from John Bergen. John and his wife served for many years on the mission field of Kenya where there experienced brutal beatings, torture, rape, and pain. Throughout this episode in their ministry, they were able to hold true to their faith and trust in Jesus Christ and today they have authored the book, "Forgiveness in the Face of Terror". Every Christian should read it; it will inspire you beyond belief.

The planning committee wishes to thank everyone that attended and contributed to making this weekend such a success, our thanks to Marcus Unger, Harvey Loland, Rudy Van Rookhuysen and Terry Scarrow for bringing their instruments to the praise and worship segments. They were invaluable

We were truly blessed with great speakers, musicians and the Almighty Spirit of our Holy Father, Jesus Christ.

Here is my vision for BC: *We see rivers of men flowing to a central place. They are flowing to Jesus. These are the Fellowship members spreading the word of God throughout the province and the country. This will be a catalyst for new FGBMF chapters in our revival.*

FROM the DESK of the Editor

The Eternal arms shelter you. "Underneath are the everlasting Arms." This promise is to those who rise above the earth-life and to soar higher, to the Kingdom of Heaven. You must not feel the burden of your failure. Go on in faith, the clouds will clear, and the way will lighten – the path becomes less stony with every step you take. So run that you may obtain. A rigid doing of the simple duties and success will crown your efforts, if you say you will do something do not shirk from doing it. I had no words of reproach for any I have prayed for when they got healed. The man was whole and free who had wrecked his physical being by sin – whose palsy I healed. The woman at the well was not overwhelmed by my "thou has five husbands, he whom thou hast is not thy husband." The woman taken in adultery was told "neither do I condemn thee, go and sin no more." She was not told to bear the burden of the consciousness of her sin...

Remember now abideth these three, Faith, Hope, and Charity (Love). Faith is your attitude towards me. Charity (Love) is your attitude towards your fellow people that come into your life. Those are the words of Jesus.

In these days we are much like 'Gideon's Army' "as we move forward in GOD'S VISION. There are many in Canada who need to hear the Good News, but how shall they hear if we do not obey God's call to give testimony to his saving grace.

OUR Full Gospel Business Men's Fellowship is a unique vehicle of God that will accomplish this task. The original vision received from God by Demos is not yet complete. God will keep his word and fulfill the vision He has begun. All we must do is listen to Him and do what he says.

*Remembering JESUS AT  
THIS TIME OF YEAR*

*Merry Christmas*
